

VOLUNTEER SAFEGUARDING CHILDREN AND YOUNG PEOPLE INDIVIDUAL COMMITMENT

Triathlon Victoria (TV) is committed to safeguarding children and young people (children) in its care. As part of this commitment we have developed a TV Safeguarding Children and Young People Policy (Policy) and a TV Child Safety Code of Conduct (Code) for our organisation.

All volunteers directly engaged by TV, are required to commit to and abide by our Policy and Code. Furthermore, we require you to immediately report any breaches of the Code by other volunteers and/ or employees that you become aware of.

Management considers a failure to commit to and abide by our Code to be misconduct, which will result in appropriate action. Action may include suspension while matters are investigated and/or dismissal. In addition to any internal disciplinary proceedings, any breaches of the law will be reported to the police.
